## *Pamper your stomachs*

Over at MyLaoHome Hotels and Villas, we strive to bring the most modern outdoor dining concepts into the old city of Luang Prabang. With a fine selection of wine and fusion cuisine, it is no wonder that The Boulevard Bar and Restaurant is fast gaining its reputation in the small city of Luang Prabang. Hailing from the tiny island of Singapore, Chef Jordan comes up with a regular menu reflecting an amazing combination of specialties with great local flavours. A back ground of light jazz & blues tunes adds to the tranquil ambience, making it a perfect night to your dining experience
